Rochester Raging Rhinos Ownership Group

Frank B. DuRoss President

A life-long resident of Utica, New York, Frank DuRoss has been involved in a number of entrepreneurial ventures that have proven successful, both in the business and sports arenas. Oneida Building Services, Inc., Oneida Asbestos Removal, Inc., DuRoss Realty Corporation, Sylvan Strands, Inc., and WOWZ/WOWB-FM radio are among the successful businesses that DuRoss has served or currently serves as president and co-owner.

DuRoss is also a co-owner of the Providence Bruins of the American Hockey League and was previously involved with the Utica Devils Hockey Club and the Maine Mariners Hockey Club. Frank commutes to all Rhinos home games, and is seen frequently in the Rhinos office actively participating in the day-to-day operations of the club.

Steve Donner Chief Executive Officer

Only a soccer championship remains for Steve Donner, who also serves as President and CEO of the Rochester Americans Hockey Club and the Rochester Knighthawks Lacrosse Club. Under Donner's reign, the Amerks won the American Hockey League's Calder Cup in 1996, and the Knighthawks followed up the following year by winning the Major Indoor Lacrosse League's North American Cup.

During this Rochester native's 16 years in professional sports, he has worked for the NHL's Buffalo Sabres and Tampa Bay Lightning. Donner was a critical member of the lacrosse owners who helped establish the National Lacrosse League in 1997, and he has also been the driving force behind Rochester's new Empire Sports Centre, a four-pad, multi-use indoor training facility scheduled to open later this year. He has also been instrumental in introducing four expansion franchises - the Dayton Gems (International Hockey League), Buffalo Bandits (MILL/NLL), Tampa Bay Lightning, and Rochester Knighthawks.

Chris Economides Vice President/General Manager

Chris Economides is a former owner of the Kansas City Attack of the indoor National Professional Soccer League. In only his second season in Kansas City, the Attack won the NPSL championship.

A life-long resident of Rochester, Economides brings his soccer knowledge and his love of the game to the Rhinos front office. He successfully owned and operated three family-style restaurants in the area before getting into the professional sports business.

Chris Economides

Vice President/General Manager

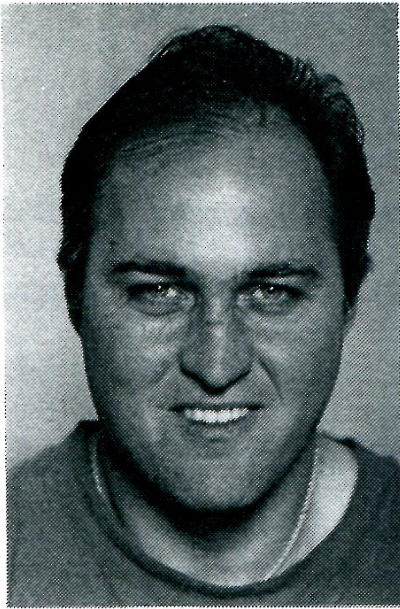

Chris Economides was instrumental in forming the Rhinos team that reached both the A-League championship game and the U.S. Open Cup Tournament Final against the D.C. United. In his role as Vice President/General Manager, Economides is responsible for the soccer business of the club. From off-season player scouting to representing the team in league matters, he keeps busy year-round helping to assemble one of professional soccer's premier organizations.

Economides previously co-owned the Kansas City Attack of the NPSL from 1991-1993. The Attack captured the NPSL championship in 1992-93, finishing a successful season by defeating the Cleveland Crunch 3-2 in the finals in front of 12,000 fans at Kansas City's Kemper Arena.

A native of Rochester, Economides graduated from Monroe Community College and Eastridge High School. He has also owned a variety of restaurants in the area. He lives with his wife Donna and their two sons in Fairport, and the Economides clan is very active in youth soccer, hockey, and baseball.

Pat Ercoli

Head Coach

The Rhinos under Ercoli:

A-League Record:	28-27
Playoff Record:	2-4
U.S. Open Cup Record:	4-2
1996 A-League Runner-Up	
1996 U.S. Open Cup Runner-Up	

Guiding the Rhinos into their third season of play is Pat Ercoli, a 39 year-old native of Toronto who is no stranger to Rochester soccer fans. Ercoli starred for the Rochester Lancers of the NASL for three seasons (1978-80), where his hard work and tenacious play made him a fan favorite.

He has brought that same philosophy to the Rhinos, and it paid off during the Rhinos' inaugural campaign of 1996. With the help of Vice President/ General Manager Chris Economides, Ercoli assembled an expansion team from scratch. While it took a while for the club to come together, the Rhinos were arguably one of the hottest professional teams in North America by mid-season. Wins over the Tampa Bay Mutiny and the Colorado Rapids of Major League Soccer in the U.S. Open Cup Tournament proved to the soccer world that the Ercoli-led squad was a team to be reckoned with, and trips to both the U.S. Open Cup final and the A-League championship game further solidified the Rhinos as a competitive force in only the franchise's first season.

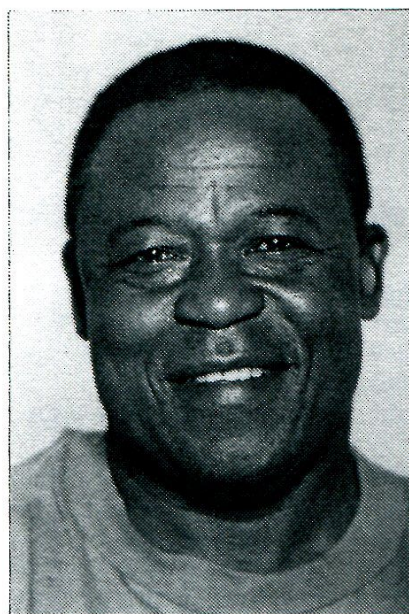

Last season, Ercoli's Rhinos shot out of the gates with a 4-0 record and looked poised to continue where they had left off the season before. Fortunes turned, however, and a stream of injuries and roster changes took their toll on Rochester. A highlight of the season for Coach Ercoli was his naming as the Head Coach of the Eastern Conference All-Stars at the A-League All-Star game at Frontier Field on July 15, 1997.

Ercoli began his professional soccer career with Toronto Italia (NSL) in 1976 before moving to the Toronto Castors the following season where he won a championship the following season. While playing the next three seasons with the Lancers, Ercoli began playing indoor soccer for the New York Arrows of the MISL; he also spent time playing with Buffalo, Baltimore (where he captured three MISL divisional championships and one league title), and Detroit in the MISL before ending his ten-year professional career with the Cleveland Force.

Since his retirement from the pro game, Ercoli has lived in Rochester with his wife, Karen and his four children (daughters Marybeth and Melissa, sons Ryan and Chris). Prior to joining up with the Rhinos, he ventured into private business and kept active in soccer by coaching youth leagues, and working as an assistant at Finger Lakes Community College and Monroe Community College.

Frank Odoi

Assistant Coach

Former Lancer Frank Odoi rejoins Pat Ercoli for the Rhinos third season of A-League play as the assistant coach. A popular soccer figure in the city of Rochester, Odoi played nine seasons with the Lancers from 1970 through 1978, helping the club to the NASL championship in 1970. He played both the forward and midfield positions with the Lancers, and he was voted Team MVP in both 1974 and 1975.

Odoi began his professional career in his native country of Ghana, where he played for the National Team which went to the 1964 Tokyo Olympics. He was selected as the best player in Tunis in 1965 when Ghana captured the African Cup. Drafted by the Washington Whips of the NASL in 1968, Odoi came to the United States later that year and began his NASL career in Washington. The following season, Odoi played with the Syracuse Scorpions, and then in 1970, he came to Rochester.

The native of Ghana has played against such stars as Pele (Brazil), Johann Cruiff (Holland), Eusebio (Portugal), George Best (England), and Franz Beckenbauer (Germany) during his 18-year pro career.

Odoi was an assistant soccer coach at SUNY Brockport, and he has coached many championship youth soccer teams in the area during the past years. His daughter recently graduated from Syracuse University.

Rhinos Particulars

Welcome to Frontier Field

Home of the Rochester Raging Rhinos

On July 12, 1996, the Rochester Raging Rhinos played the first-ever sporting contest at Frontier Field. The Rhinos defeated the Montreal Impact 3-2 in a thrilling come-from-behind victory before 14,717 fans. The win helped catapult the Rhinos to a successful season, one in which they made the finals of both the U.S. Open Cup Tournament and the A-League playoffs. That same season, the Rhinos set an A-League record for single-game attendance when 14,809 witnessed the Rhinos-Montreal playoff match on September 21, 1996.

The success continued in 1997 as the Rhinos averaged over 10,000 fans per game. Rochester shattered the A-League season attendance record by having 149,481 fans pass through the turnstile, outdrawing their 1996 total of 134,269.

There is more, however, to Frontier Field than the games that are played there or the amount of people that it can hold. There are many little-known facts about the friendly confines of Frontier Field. Did you know there are:

- * **850 million blades of grass on the field**
- * **175,000 bricks in the stadium**
- * **25,000 bricks in the Walk of Fame**
- * **Over 400 trees and shrubs at the stadium**
- * **Over 40,000,000 lbs. of concrete in the stadium**
- * **Over 10,000 cubic yards of concrete in the stadium**
- * **750 tons of steel in the stadium**
- * **43,250 square feet in the seating bowl**
- * **153 brick arches around the stadium**
- * **More than a mile of railings throughout the stadium**
- * **70 sprinkler heads on the field (62 rotary heads, 8 mist heads)**
- * **100,000 linear feet of reinforcement for masonry at the super-structure**
